Dear Sir:

Early in July, I mailed yours truly a request, concerning my hobby collecting autographs for my "Bicentennial Inaugural Collection."

To date, I have not received your reply. Your contribution to my project which is almost completed, will be greatly appreciated. I received many colorful autographed letters and many photographs from prominent officials of past and present important government people.

I have reserved a page in my album for your autograph, to make my collection a success.

I am impressed by the great response, hoping this album will pass on, from my family and relatives, towards our next Bicentennial Year 2076.

Thank you for your consideration and may I look forward for a reply.

Today I received autographs plus photographs from U.S. Ambassador, Sol Linowitz, U.S. Senator, Mark O. Hatfield, and the President's Advisor, Charles H. Kirbo, Juanita M. Krup & Al Ullman.

Sincerely,

Alfred Carangelo.

P.S. Enclosed another copy of many participating to my collection naming a few.
